

LISTA CZASOWNIKÓW NAJCZĘŚCIEJ WYSTĘPUJĄCYCH NA EGZAMINACH

Jakie czasowniki są najczęściej spotykane na egzaminie?

Poza oczywistymi i pospolitymi *be, play, do, make, can, have, live, build, travel, learn, write, read, watch, cook, sleep, go, like, hate, look, pay, plan, help, relax, say, ...* warto znać również inne czasowniki.

Analizowane arkusze dotyczą egzaminu ósmoklasisty, ale cała lista jest idealna do powtórzenia znaczeń czasowników, zarówno dla uczniów szkoły podstawowej, jak i maturzystów.
